Dear Steve,

I received a thank-you note from a constituent who included some gift cards. I returned them with a letter; photo of the content of the envelope attached.

Let me know if you need any other information.

Dear Mrs. Egan,

I am glad the sidewalk issues were resolved and that everything was restored before snowfall! It was very kind of you to send these gift cards however while I appreciate the sentiment, per the Chicago ethics ordinance, I cannot accept them. I have enclosed the two gift cards with this letter.

Glad to be of service and I hope you have a safe & happy holiday season!

Best regards,
